Matthew Lorenz	Townsville Picnic Bay	Driver/Chaperone	
Hannah Sinclair	Townsville Picnic Bay	Andrew Baker	Eimeo
Simone Mills	Townsville Picnic Bay		
Bethany Heyer	Townsville Picnic Bay		

There will also be multiple guests and helpers popping in and out through the weekend, all of whom we thank for committing their time.

This program is designed for members aged in the U13-U15 age groups and plays an important role within Surf Life Saving Queensland's development charter. It aims to provide an opportunity for our members to gain knowledge, experience and develop skills in a wide range of Surf Life Saving activities in an enjoyable and stimulating environment.

Participants and Leaders should keep their eyes peeled in the coming days for details on what to bring and what to expect from this action packed weekend.

We wish them all the best on the program and look forward to seeing them develop into the future lifesavers of the organization.

Yours in Lifesaving,

Jeremy Best
 NBB Director of Membership
